

NATIONAL SPIRITUAL ASSEMBLY
OF THE BAHÁ'ÍS OF THE UNITED STATES

September 28, 2017

To the American Bahá'í community

Dearest Bahá'í Friends,

We are delighted to share with you a letter received from Senator Mark R. Warner of Virginia, expressing his warm greetings to the Bahá'í community on the occasion of the 200th anniversary of Bahá'u'lláh's birth.

We are certain you will join us in welcoming the Senator's kind remarks, which reflect a commendable awareness of our Faith's aims and underlying principles and the community-building work in which we are engaged.

As the Bicentenary season progresses, we will likely receive more such messages from elected officials and other dignitaries with a national and international standing. We will make these available to you electronically in the pages of the Bicentenary Resources website ([accessible here](#)), which we recommend visiting regularly both for its wealth of information on ways to commemorate the occasion and for the latest on this new facet of our collective joy.

With loving Bahá'í greetings,

Kenneth E. Bowers
Secretary
